BIURET (max. g/kg of N)	32.6g

2SPEC Stabilise is a premium sports turf fertiliser, ideal for applications on sporting surfaces, gardens, parks and lawns. Containing a high proportion of nitrogen stabilised with a DCD nitrification inhibitor for sustained and efficient growth response, 2SPEC Stabilise is ideal for use throughout the growing season. Like all 2SPEC products, Stabilise is developed and blended in Australia for Australian conditions.

APPLICATION GUIDE

Apply at the rate of 2.0kg / 100m² or 200kg / ha.

For use on medium to high cut turf surfaces including sportsfields, golf fairways, tees, surrounds, and general amenity areas. Do not use on putting greens or bowling greens. Designed for sustained, uniform growth and to build soil health. Apply to dry foliage and water soon after application with 6 mm of water. Iron can stain some surfaces, sweep off hard surfaces such as concrete to avoid staining, do not wash off. Do not apply when temperature exceeds 28°C.

SPREADER SETTINGS GUIDE

Spreader	Ground Speed	Width of Coverage	Product Rate	Spreader Settings
Model SR 2000	5 km/hr	3 metres	2.0kg / 100m²	L, Cone 4

Spreader settings are a guide only, all spreaders should be calibrated before use.

WARNING: Do not swallow. The dust from this product may act as an irritant. Avoid inhalation and contact with the eyes and skin. This fertiliser contains biuret. This fertiliser is for soil application only. Do not use in foliar sprays.

STORAGE AND USE: Store in a clean, dry place and use only clean, dry spreaders. Wash, brush or blow the fertiliser off paved surfaces following application to avoid discoloration. Do not leave unused product in spreaders.

NOTICE: This product is designed only for the particular purposes indicated on the label. Failure to use the product strictly as directed may be illegal, prove dangerous and render the product ineffective. The buyer or user is responsible for any misuse or negligence in the handling, storage, use of or disposal of this material. Globe Growing Solutions will not accept any responsibility whatsoever and howsoever arising and whether for consequential loss or otherwise in connectionwith the supply and use of this product other than those responsibilities mandatorily imposed by Statutes applicable to the sale and supply of these goods.
