## Special FeX<sup>®</sup> 15-0-0 + 6% Fe & 2% Mn

### Liquid nutritional supplement

- ✔ A blend of highly available iron, manganese and nitrogen for rapid plant uptake
- ✔ The use of a natural citrate complex increases the availability of iron and manganese to the plant
- ✔ Delivers all the elements required for rapid turf colour enhancement
- ✔ Ideal for use prior to tournaments and events when optimum turf colour is required

#### CONTENTS

20L    200L    1000L

#### Guaranteed Minimum Analysis (W/V)

Nitrogen as Urea 15%

Iron as Citrate Complex 6%

Manganese as Citrate Complex 2%

pH: 3.5   S.G: 1.28

GROWING SOLUTIONS

### Direction for Use:

Apply as a foliar spray application to actively growing turf when colour enhancement is required or when iron and manganese deficiencies exist. Dilute with water, using the application rate that delivers the desired colour response. Apply in sufficient water to achieve adequate plant coverage. Application rates can be adjusted to suit individual situations.

Avoid mowing for 24 hours following an application.

### Application Details:

Situation	Rate/100m <sup>2</sup>	Rate/Ha	Water Volume	Comments
Turf	200mL–400mL	20L–40L	Minimum of 5L/100m <sup>2</sup> (500L/Ha)	Apply 5-7 days prior to major events for maximum colour. Repeat applications as often as necessary to meet individual colour requirements.
Bowling greens	3-6.5L / Standard green in a minimum of 150L of water		Minimum of 150L	
Landscape and Ornamental Plants	25 – 40mL		10L	Apply as a foliar spray to correct nutrient deficiencies.

### Mixing:

Fill spray vessel with half the required volume of water. Add required amount of Fertech Special FeX® to the spray tank while agitating. Add remaining water to the spray tank. Continue agitating during application. Wash out spray tank, including nozzles, immediately after use.

### Storage, handling & disposal:

Do not store below -5°C, as crystallisation may occur. Do not contaminate lakes, streams, dams or ponds by cleaning equipment or disposal of waste. Avoid contact with eyes and skin by wearing appropriate protective equipment, such as gloves, boots and safety goggles.

### First aid:

In case of contact with eyes or skin, flush at once with large amounts of water. If irritation persists, seek medical attention. If swallowed, drink large amounts of water and induce vomiting. Seek medical attention.

### Conditions of sale:

Globe Growing Solutions shall not be liable for any loss, injury damage or death whether consequential or otherwise whatsoever, or howsoever arising whether through negligence or otherwise in connection with the sole, supply, use or application of this product.
