

**Hydrolink Tablets** are designed to treat localised dry spots and hydrophobic soil media.

**Hydrolink Tablets** should be applied via a proper hose-end applicator and will slowly dissolve over the course of application.

A single tablet will last approximately 20-30 minutes and can spot treat 6-7 average size golf greens.

Rate of dissolution will depend on water pressure and temperature.

- **Highly stable**
- **Non-phytotoxic**
- **Excellent penetration, spreading, wetting and re-wetting**
- **100% active wetting agent**
- **6 x 226g tablets per box**
