**NOT TO BE USED FOR ANY PURPOSE OR IN ANY MATTER CONTRARY TO THIS LABEL UNLESS AUTHORISED.**

**HOW TO PREPARE:** Product can be applied with most garden sprayers. Avoid using fine droplets as this will increase spray drift. It is important to apply the recommended spray mixture when weeds are young and actively growing. Results may take time to become evident.

**CAUTION:**

**DO NOT** allow spray to contact other plants that you do not want killed.

**DO NOT** allow chemical containers or sprays to get into drains, sewers, streams or ponds.

**DO NOT** feed grass clippings from treated areas to poultry or other animals.

**STORAGE AND DISPOSAL:** Store in the closed original container in a cool, dry place out of reach of children. Do not store in direct sunlight. Dispose of empty container by wrapping in paper, placing in a plastic bag and putting in garbage.

**SAFETY DIRECTIONS:** Poisonous if absorbed by skin contact or swallowed. Will irritate the eyes and skin. Avoid contact with the eyes and skin. Do not inhale spray mist. When preparing spray and using the prepared spray wear cotton overalls buttoned to the neck and wrist and a washable hat. If product on skin, immediately wash area with soap and water. After use and before eating, drinking or smoking wash hands, arms and face thoroughly with soap and water. After each day use wash gloves and contaminated clothing.

**FIRST AID:** If poisoning occurs contact a Doctor or Poisons Information Centre. If swallowed and if more than 15 minutes from hospital induce vomiting preferably using IPECAC SYRUP APF.
